i do hereby, herein and herewith officially, formally, and publically, expressly issue this claim of right to my true dominion of god.
 my acts and deeds include, and are limited to, my own meaning, explicitly, and may not be construed to imply differently.

what is first is true; and what is first in time is better in law.

Claim One. i am the living soul of god existing within the living flesh and blood man of nature sojourning earth, the land of god.

Fact One. "in the beginning god created the heaven, and the earth." genesis 1:1.

Fact Two. "and god said, let us make man in our image, after our likeness; and let them have dominion over the fish of
 the sea, and over the fowls of the air, and over the cattle, and over all the earth, and over every creeping thing
 that creepeth upon the earth." genesis 1:26.

Fact Three. "and the lord god formed man of the dust of the ground, & breathed into his nostrils the breath of life; and
 man became a living soule." genesis 2:7.

Fact Four. "render therefore unto cesar, the things which are cesars: and unto god, the things that are gods." matthew

- i originate from god and to god i shall return. god created me. god owns me. i belong to god. i am god's property.

Claim Two. i am free.

Fact One. free. unconstrained; having power to follow the dictates of his own will. not subject to the dominion of
 another. not compelled to involuntary servitude. used in this sense as opposed to slave.

Fact Two. slave = a person who is wholly subject to the will of another; one who has no freedom of action, but whose
 person and services are wholly under the control of another.

- All men are equal before the natural law.

Claim Three. i am sovereign.

Fact One. sovereign. a chief ruler with supreme power.

- slavery is an institution by the law of nations, by which a man is subjected to the dominion of another, contrary to nature.
- Claim Four. heretofore and forever hereafter, any and all contracts/agreements/actions/covenants involving me, directly and or
 indirectly, require my fully informed, freely given, expressed hand-written consent to be valid.

Fact One. heretofore and forever hereafter, any and all contracts/agreements/actions/covenants, involving me, directly
 or indirectly, without my fully informed, freely given, expressed hand-written consent are invalid.

- it is a wretched state of slavery which subsists where the law is vague or uncertain.

Claim Five. heretofore and forever hereafter, any and all power of attorney over any of my affairs, directly and or
 indirectly, is unambiguously absolutely explicitly forbidden.

Fact One. heretofore and forever hereafter, any and all power of attorney, exercised and or executed over
 any of my affairs, directly and or indirectly, is thereby an act and deed of fraud and trespass against me.

Fact Two. any and all who exercise/execute or have exercised/executed any power of attorney over any of
 my affairs, directly and or indirectly, are thereby guilty of fraud and liable for trespass against me.

i am age of majority and competent to testify and do hereby testify before god as my witness that i make this declaration of my own free will act and deed to affirm all facts declared herein are true, correct, complete, and certain, not false or misleading and not hearsay, but are admissible as evidence in all courts of law.

being cognizant of penalty of perjury and with god as my witness, i do hereby affirm, depose, declare, decree, and say, every thing within this document is the truth, the whole truth, and nothing but the truth, so help me god; my word is my bond.

every thing i think, say, write, do, and express in any way, shape, or form includes, and is strictly limited to, my meaning exclusively and must not be construed to imply different interpretations under any circumstances.

the intention of the man is the soul of the instrument.

this instrument exist for the sole purpose of establishing eternally on the record for the record the following facts as a matter of law:

1. that, i am not BRIAN ROARK, and
2. that, BRIAN ROARK is not my name, and
3. that, i exclusively possess sole power and authority over BRIAN ROARK, and
 - Brian Douglas Roark and every derivative thereof are counterfeit copies of me, and
4. that, i exclusively possess sole power and authority over my mind (free will), body (holy temple), and soul (sacred spirit), and
5. that, in order to perform commercial commerce on behalf of United States, you knowingly, willfully, and intentionally convey me into bondage, by force of arms, without my fully informed freely given consent and against my own god given expressed free will, and
 - BONDAGE. Slavery; involuntary personal servitude; captivity.
 - SLAVERY. The condition of a slave; that civil relation in which one man has absolute power over the life, fortune, and liberty of another.

6. that, in order to perform commercial commerce on behalf of United States, you knowingly, willfully, and intentionally convert me into your personal slave, by force of arms, without my fully informed freely given consent and against my own god given expressed free will, and
 - *Capitis diminutio maxima*. The highest or most comprehensive loss of *status*. This occurred when a man's condition was changed from one of freedom to one of bondage. when he became a slave.
 - *SLAVE*. A person who is wholly subject to the will of another; one who has no freedom of action, but whose person and services are wholly under the control of another.
7. that, in order to perform commercial commerce on behalf of United States, you knowingly, willfully, and intentionally make fraudulent claims that injure me and put my mortal life in imminent danger, and
8. that, you do not possess any true evidence of delegated of authority to over BRIAN ROARK, and
9. that, you do not possess any true evidence of delegated of authority to over my mind, body, or soul, and
10. that, you do not possess any true evidence of my fully informed freely given consent for any thing at all, and
11. that, you do not possess any true evidence of a mutually beneficial binding bilateral full disclosure contract with my wet ink signature, and
12. that, you knowingly, willfully, and intentionally fabricate, conceal, and destroy material fact acts of evidence, and
13. that, you knowingly, willfully, and intentionally compel me against my own god given free will by force of arms to perform commercial commerce as an instrumentality of United States on behalf of foreign bankers who are the receivers of the United States bankruptcy.

commerce, by the law of nations, ought to be common, and not converted to monopoly and *the* private gain of a few.

ignorance of the law does not excuse misconduct in anyone, least of all a sworn officer of the law.

you make fraudulent claims that cause me extremely high-level stress and duress from anxiety of constant,

persistent, perpetual fear for my life from the actual true threat of imminent mortal danger conveyed by violent heavily armed men you employ to solicit compulsory commercial commerce on your behalf by force of arms.

- **laws are silent amidst arms. nothing is so opposed to consent as force and fear. the greatest enemies to peace are force and wrong. impunity confirms the disposition to commit crime. he who spares the guilty, punishes the innocent.**

as a direct result of your fraudulent acts and deeds, i exist now in a constant state of perpetual fear for my life from violent heavily armed men with no principles, no apparent knowledge of, or regard for, the law, and absolutely no concern for my life, safety, or happiness. these men are employed and trained to use deadly force against me, and others, on your behalf, in order to compel performance of compulsory commercial commerce as instrumentalities of United States, without their fully informed freely given consent.

- **there is no disputing against one who denies first principles.**

in reckless pursuit of commercial commerce on behalf of United States, you convey me into bondage of Beelzebub by issuing false claims to validate unlawful acts and deeds performed by men you employ who impose your will upon me by force of arms.

- **no commerce should be in illicit goods. slave-trade. the traffic in slaves, or the buying and selling of slaves for profit.**

your willful unlawful acts and deeds in pursuit of commercial commerce on behalf of United States cause permanent irreparable damage to me that will last my lifetime and can never be undone. a living soul god can not be compensated for being unlawfully conveyed into bondage of, and for, Satan. your unlawful acts and deeds cause me to suffer severe mental anguish that permanently damages my peace and happiness for the rest of my life.

to protect myself from further injury caused directly by your fraudulent claims, i must require you unambiguously prove your claims are absolutely true, correct, complete, and certain *or*, immediately acknowledge your claims are fraudulent, concede fraud, and agree to accept full liability in your unlimited capacity for all damages caused, directly and or indirectly, by your acts and deeds of fraud. *power tends to corrupt. absolute power corrupts absolutely.*

do you possess any personal first-hand knowledge of positive proof of verified facts of unambiguous evidence your claims are absolutely true, correct, complete, and certain?

i possess personal first-hand knowledge of positive proof of verified facts of unambiguous evidence your fraudulent claims cause serious permanent injury to me and actual true imminent danger to my mortal life.

i diligently searched intensely day and night for several years and found absolutely no positive proof of verified facts of unambiguous evidence your claims are true, correct, complete, and certain, and i am absolutely certain no such facts of evidence exist.

i only seek the truth. the law never suffers anything contrary to the truth. law favoreth truth, faith, and certainty. an act of law does no one wrong. to injure is wrong. the greatest enemies to peace are force and wrong. what is good and equal, is the law of laws. a hidden intention is bad. *fiction yields to truth. where there is truth, fiction of law exists not. a fiction of law injures no one.*

plain statement of facts: *in the presence of the superior power, the minor power ceases. law is established for the benefit of man.*

you, through acts and deeds of your agents, knowingly, willfully, and intentionally make fraudulent claims against me.

ownership.

- no right to the spoil vests in the piratical captors; no right is derivable from them to any recaptors in prejudice of the original owners. persons taken by pirates or robbers remain free.

no one is believed in court but upon his oath. an infamous person is repelled or prevented from taking an oath. an oath is indivisible, it cannot be in part true and in part false. there is no stronger link among men than an oath. good faith demands that what was agreed upon shall be done. good faith must be observed.

- proofs are to be weighed not numbered; that is, the more worthy or credible are to be believed. [it doesn't matter how many men say something, because the word of god is superior to all. it does not matter how many people believe a lie, it's still a lie. and in a democracy, a lie is the truth].

- he does contrary to the law what the law prohibits; he acts in fraud of the law who, the letter of the law being inviolate, uses the law contrary to its intention. Dig. 1, 3, 29

- law is established for the benefit of man. **truth, by whomever pronounced, is from God.**

- a contract founded on a base and *unlawful* consideration, or against good morals, is null.

- that contracts which are made against law or against good morals have no force is a principle of undoubted law.

- agreements founded upon an immoral consideration are not to be observed.

- agreements which are not contrary to the laws nor entered into with a fraudulent design are in all respects to be observed.

- the stipulations of parties constitute the law of the contract. the contract makes the law.

i am not an expert in the law, however, i do know right from wrong. if there is any man damaged by statements herein, if he will inform me by facts i will sincerely make every effort to amend my ways. i hereby and herein reserve the right to amend and make amendments to this document as necessary in order that the truth may be ascertained and proceedings justly determined.

if the parties given notice by means of this document have information that would controvert and overcome this document please advise me in written affidavit form within thirty days from receipt hereof providing me with your counter affidavit proving with particularity, by stating all requisite actual evidentiary facts and all requisite actual law, not merely the ultimate facts or conclusions of law, that this document statement is substantially and materially false sufficiently to change materially my status and factual declarations.

your silence stands as consent to, and tacit approval of, the factual declarations herein being established as facts as a matter of law.

silence is acquiescence, agreement, dishonor and estoppel. failure to reply is fatal. he who does not deny, admits.

agreements give the law to the contract. the agreement of the parties makes the law of the contract. the agreement of the parties overcomes or prevails against the law. the contract makes the law. agreement takes the place of the law: the express understanding of parties supersedes such understanding as the law would imply. in the agreements of the contracting parties, the rule is to regard the intention rather than the words.

"silence can only be equated with fraud where there is a legal and moral duty to speak, or where an injury left unanswered would be intentionally misleading." u.s. v. tweel, 550 f.2d 297,299 (1977), quoting u.s. v. prudden, 424 f.2d 1021, 1032 (1970).

"when circumstances impose duty to speak and one deliberately remains silent, silence is equivalent to false representation." fisher controls international, inc. v. gibbons, 911 s.w. 2d 135 (1995)

"when a person sustains to another a position of trust and confidence, his failure to disclose facts that he has a duty to disclose is as much a fraud as an actual misrepresentation." blanton v. sherman compress co., 256 s.w. 2d 884 (1953)

silence activates estoppel, pursuant to carmine v. bowen, 64 a. 932.

silence is tacit acquiescence, agreement, dishonor and estoppel.

he who does not deny, agrees.
